

1st CALL FOR PAPERS

9th International Conference on Information Systems and Security

IC-ISS 2020

October 30-31, 2020, Pristine, Kosovo

Organizers:

UBT-Faculty of Information Systems

Co-organisers:

IEME – Institute for Enterprise Management and Engineering

KA-CASE – Kosova Association of Control, Automation and Systems Engineering

KA-SIM –Kosova Association for Modeling and Simulation

ES – Federation of European Simulation Societies

International Scientific Committee:

Invitation to ICISS2020:

It is our pleasure to invite you to participate in the ICISS2020, which aims to bring together researchers and practitioners from industry and academia to give an overview of the state of the art, to present new research results and to exchange ideas and experiences in the field of information systems.

Meeting Scope and Objectives:

The aim of the conference is to further facilitate the exchange of knowledge between innovative academics, Post-graduate students, doctoral candidates, young researchers, researchers and industrial experts and to share views and experiences in Information Systems and related areas.

Topics: The scope of the conference covers but is not limited to:

- Data Management and Privacy; Big Data Management;
- Soft Systems Engineering; Cryptography and information security;
- Information Systems Security; Geo-Information Systems (GIS);
- Cyber Security;

- Management Information Systems;
- Agile Project Management in Information Systems
- Enterprise Resource Planning;
- Health Information Systems;
- Artificial Intelligence and Knowledge Management;
- Human-Centered Computing;
- Open Data and open information;
- Telecom Industry; Wireless Technologies;
- Customer Care Excellence; Network Economics;
- Social Networking and Location-based; E-Governance; E-trade;
- E-Learning; E-Health; E-Commerce;
- E-Services and Competitive Strategy;
- Business and Information Systems Engineering;
- Mobile Networks; Next Generation Networks;
- Intelligent Information on Networks;
- Information Systems, Design and Implementation;
- IS and Process Management; Memory-Based Computing;
- Business Data Communications;
- Social Computing and Collaboration;
- Education Informatics;
- Life-long Learning;
- Modeling for Control and Real-Time Applications;
- Education in/for/with Modeling and Simulations;
- Business Information Systems;
- Decision Support Systems (DSS);
- Business Intelligence and Knowledge Management;
- Public Sector ICT; Information Systems in Education;
- Governance and Management of IS; Sensing and Learning Technologies for Autonomous Cooperative Systems;

Paper submission:

The material submitted for presentation in our conference must be original, not published or being considered elsewhere. The maximum length is 6 pages. For details regarding the accepted standards please visit our website. The paper that does not fulfill the format criteria will not be considered.

Publication Opportunities:

All papers accepted for presentation will be published in peer reviewed conference proceedings and also they will be hosted on-line on our conference website. The presented papers will be further considered for possible publication in International Journal of Business and Technology (ISSN 2223-8387), Simulation Notes Europe (ISSN 2306-0271) and other partner and related journals. The published articles will be provided a DOI number by UBT.

Important Dates:

Abstract submission:	May 31, 2020
Acceptance notification:	June 07, 2020
Full paper submission:	July 15, 2020
Early Registration date:	August 01, 2020
Conference date:	October 30-31, 2020

Registration

	Early registration fee (before October 5 th)	Late registration fee
