

1st CALL FOR PAPERS

14th International Conference of Mechatronics, Systems Engineering and Robotics

October 23th - 25th, UBT Science and Innovation Park, 2025, Prishtinë, Kosovo

Organizers:

UBT - Faculty of Mechatronics Engineering

Invitation to IC-MSER 2025

It is our pleasure to invite you to participate in the **IC-MSER 2025** is an international peer reviewed conference which publishes works of the scientists as well as practitioners in interested areas.

This Conference is part of **14th** UBT International Conference for Business, technology and Innovation. The main focus this year will be Resilience and Sustainability.

Meeting Scope and Objectives:

The aim of the conference is to further facilitate the exchange of knowledge between innovative scholars, academics, young researchers, post-graduate students, doctoral candidates, industrial experts and professionals to share views and experiences in Education and Development.

Topics: The scope of the conference covers but is not limited to:

- Mechatronics, robotics and biometrics
- Systems engineering
- Mechatronics systems in advanced manufacturing
- Automotive engineering
- Materials processing and manufacturing
- Design of machines, devices and systems possessing a degree of computer-based intelligence
- Micro/Nano manipulators and systems
- Sensors, wireless sensor networks and multi-sensor data fusion
- Artificial intelligence, neural networks and fuzzy logic in mechatronics and robotics
- Applications of machine vision, image processing, pattern recognition and synthesis
- Natural language processing
- Biologically inspired robotics and swarms
- Medical robotics and robotics for rehabilitation
- Tele robotics, human-computer interaction, human-robot interaction
- Biomedical and rehabilitation engineering, prosthetics and artificial organs
- Simulating human
- Physical human-robot interaction
- Optomechatronics devices, instruments, and systems
- Mechatronic systems fault diagnosis and fault tolerance
- Maintenance and reliability of mechatronic systems
- Mechatronics in agricultural engineering
- Virtual reality and interfaces
- Design, modeling and simulations
- Smart materials and polymers
- Actuators and motion control
- Sensors and signal processing
- Autonomous robots and vehicles
- Intelligent systems
- Internet of Things and 5G

Paper submission:

The material submitted for presentation in our conference must be original, not published or being considered elsewhere. The maximum length is 6 pages. For details regarding the accepted standards please visit our website. The papers that do not fulfill the format criteria will not be considered.

Publication Opportunities:

All papers accepted for presentation will be published in peer reviewed conference proceedings and also, they will be hosted on-line on our conference website.

The presented papers will be further considered for possible publication in International Journal of Business and Technology (ISSN 2223-8387), Simulation Notes Europe (ISSN 2306-0271) and other partner and related journals. The published articles will be provided a DOI number by UBT.

*Keynote speaker: Timi Karner (SLO)

EDITOR:

Edmond Hajrizi (RKS)

Important Dates:

Abstract Submission: May 31, 2025.
Acceptance Notification: June 28, 2025.
Full paper Submission: July 31, 2025.
Peer Reviewed:
Early Registration date: April 1 2025.

Registration

	Early registration fee (before October 1 st)	Late registration fee
--	--	--------------------------

Regular	€ 40	€ 50
EUROSIM Members	€ 30	€ 40
Student	€ 20	€ 30
