Invitation to IC-ADM 2025:

It is our pleasure to invite you to participate in our 14th
International Conference on Arts and Digital Media
is an international peer reviewed conference which publishes works
of the scientists as well as practitioners in interested areas.

This Conference is part of 14th UBT International Conference for
Business, technology and Innovation. The main focus on this year
will be Resilience and Sustainability.

Scope and Objectives:

The conference aims to facilitate the exchange of knowledge
between innovative academics, post-graduate students, doctoral
candidates, young researchers, researchers and industrial experts
and to share views and experiences in the related areas.

The scope of the conference will cover but is not limited to:

1. The challenges of Arts and Digital Media in the digital age
2. Application of Creative Technology in Arts and Digital
Media
3. Emerging Technologies in Arts and Digital Media
4. Performance in the Age of Digital Art
5. Digital art's impact on culture today
6. The Future of Galleries and Museums
7. How do technology influence art and education?
8. Creative Expressions
9. Interactive Arts
10. Human-Computer Interaction

Paper submission:

The material submitted for presentation in our conference must
be original, not published or being considered elsewhere. The
maximum length is 6 pages. For details regarding the accepted
standards please visit our website. The papers that do not fulfill
the format criteria will not be considered.

Publication Opportunities:

All papers accepted for presentation will be published in peer

reviewed conference proceedings and also, they will be hosted
on-line on our conference website. The presented papers will be
further considered for possible publication in International Journal
of Business and Technology (ISSN 2223-8387), Simulation Notes
Europe (ISSN 2306-0271) and other partner and related journals.
The published articles will be provided a DOI number by UBT.
