

4th CALL FOR PAPERS

14th International Conference on Language and Culture IC-LAC 2025

**October 23 - 25, UBT Science and Innovation Park,
2025, Prishtinë, Kosovo**

Organizers:
UBT-Faculty of English Language

Invitation to IC-LAC 2025

It is our pleasure to invite you to participate in **the International Conference of Language and Culture 2025 (IC-LAC)**. IC-LAC is an international peer-reviewed conference that publishes works of the scientists as well as practitioners in interested areas. This Conference is part of the 14th UBT International Conference for Business, Technology, and Innovation. The focus this year will be: *Building Resilient Educational Systems for a Sustainable Future*

Scope and Objectives:

The aim of the conference is to further facilitate the exchange of knowledge between innovative scholars, academics, young researchers, post-graduate students, doctoral candidates, field experts and professionals to share views and experiences in Language and Culture.

Topics: The scope of the conference covers but is not limited to:

- Language and culture in education
- Technology-enhanced teaching and learning
- Intercultural communication and multilingualism
- Sustainable practices in language education
- AI and its influence on language learning and teaching
- Translation, interpretation, and global communication
- Educational resilience and curriculum design

Paper submission:

The material submitted for presentation in our conference must be original, not published or being considered elsewhere. The maximum length is 6 pages. For details regarding the accepted standards please visit our website. The papers that do not fulfill the format criteria will not be considered.

Publication Opportunities:

All papers accepted for presentation will be published in peer-reviewed conference proceedings and also, and they will be hosted online on our conference website. The presented papers will be further considered for possible publication in the International Journal of Business and Technology (ISSN 2223-8387), Simulation Notes Europe (ISSN 2306-0271) and other partner and related journals. The published articles will be provided a DOI number by UBT.
