**October 23-24-25, UBT Science and Innovation
Park, 2025, Prishtinë, Kosovo**

Organizer(s):

UBT-University for Business and Technology; Faculty of
Integrated Design

Invitation to IC-ID 2025:

It is our pleasure to invite you to participate in our 13th International Conference on Integrated Design. This international peer-reviewed conference publishes the works of scientists and practitioners in the relevant areas.

This Conference is part of the 14th UBT International Conference for Business, Technology, and Innovation. This year's main focus will be Resilience and Sustainability.

Scope and Objectives:

The conference aims to facilitate the exchange of knowledge between innovative academics, post-graduate students, doctoral candidates, young researchers, researchers, and industrial experts and to share views and experiences in the related areas.

The scope of the conference will cover but is not limited to:

- "The intersection of graphic design, technology, and culture."
- "The Role of Technology in Graphic Design"
- "Exploring the impact of AI, AR/VR, on design practices".
- "Design trends for digital platforms"
- "The Evolution of Branding and Identity",
- "The future of graphic design in a multidimensional world.
- "Rethinking Fashion in the Age of AI, Virtual Identities, and Climate Crisis"
- "The Role of Fashion in Social Movements"
- "Fashion and Cultural Identity"
- "The Future of Fashion Education"
- "Consumer Behaviour and the Shift Towards Ethical Fashion"
- "AI-Integrated Interior Design"
- "Metaverse and Virtual Interiors"
- "Smart Materials and Responsive Spaces"
- "Modular and Self-Adapting Environments"
- "Circular and Regenerative Design"

Paper submission:

The material submitted for presentation in our conference

must be original, not published or being considered elsewhere. The maximum length is 6 pages. For details regarding the accepted standards, please visit our website. The papers that do not fulfill the format criteria will not be considered.

Publication Opportunities:

All papers accepted for presentation will be published in a peer-reviewed journal

Reviewed conference proceedings will be hosted online on our conference website. The presented papers will be further considered for possible publication in the International Journal of Business and Technology (ISSN 2223-8387), Simulation Notes Europe (ISSN 2306-0271), and other partner and related journals. The published articles will be provided with a DOI number by UBT.
