

IC -ID 2026

**October 23-24-25, UBT Science and Innovation Park,
2026, Prishtinë, Kosovo**

Organizer(s):

UBT-University for Business and Technology; Faculty of
Integrated Design

Invitation to IC-ID 2026:

It is our pleasure to invite you to participate in our 15th International Conference on Integrated Design. This international peer-reviewed conference publishes the works of scientists and practitioners in the relevant areas.

This Conference is part of the 14th UBT International Conference for Business, Technology, and Innovation. This year's main focus will be on resilience and Sustainability.

Scope and Objectives:

The conference aims to facilitate the exchange of knowledge between innovative academics, post-graduate students, doctoral candidates, young researchers, and industrial experts and to share views and experiences in the related areas.

The scope of the conference will cover, but is not limited to:

- **AI & Creativity, Redefining Visual Practice**
- **The evolution of visual identity in the age of artificial intelligence**
- **Future of Visual Experience**
- **Systems & Design Thinking**
- **Culture, Identity & Global Design**
- **Motion & Interactive Design**
- **Sustainability & Ethics**
- **AI, Authorship, and Ethics in Design and Fashion**
- **Designing Futures: AI, Education, and Creative Pedagogies**
- **Sustainable Intelligence: Circularity, Regeneration, and Responsible Design**
- **Smart Materials and Textile Intelligence**
- **Design for Social Impact: Inclusivity, Identity, and Resilience**
- **Body, Form, and Algorithmic Construction**
- **Visual Communication, Identity, and AI-Driven Aesthetics**
- **Inclusive & Universal Design for All**
- **Data-Driven & AI-Augmented Design**
- **Circular & Regenerative Design Thinking**
- **Emotion & Sensory Driven Design**
- **Adaptive Design Systems for Uncertain Environments**
- **Post-Disaster Adaptive Interior Systems**

Paper submission:

The material submitted for presentation in our conference must be original, not published or being considered elsewhere. The maximum length is 6 pages. For details regarding the accepted standards, please visit our website. The papers that do not fulfill the format criteria will not be considered.

Publication Opportunities:

All papers accepted for presentation will be published in peer reviewed conference proceedings, they will be hosted online on our conference website. The presented papers will be further considered for possible publication in the International Journal of Business and Technology (ISSN 2223-8387), Simulation Notes Europe (ISSN 2306-0271), and other partner and related journals. The published articles will be provided a DOI number by UBT.
